*These examinations are also offered by Pearson/Edexcel and AQA with the same equivalences compared to the Common European Framework
Alternatively, according to the following additional options:

- High school leaving certificate from a state secondary school in Cyprus;

- Certificate of success in the examination conducted by the Ministry of Education, Sport and Youth to determine Good knowledge of the English Language;
- Certificate of success in the Final Examinations of the State Training Institutes in Cyprus in English of at least the 4th year;

Persons that have graduated from a school in Australia, Ireland, New Zealand, United Kingdom, United States of America or Canada*, where the main mode of instruction is English are exempt.

*provided the language of instruction in Canada in order to obtain a school leaving certificate/Undergraduate Degree/Postgraduate Degree was English.

Graduate students whose first degree was an English language course *at a Cypriot university* may also be exempted from any other proof of knowledge of English, but it should show clearly in the transcripts or the degree that the course was in English.

If you have not yet met the above English language proficiency or its exemptions, then we advise you to consider taking [Password Plus Test](#) which is an online exam.
