GRADUATE APPLICATION DEADLINE

FALL 2023 ADMISSION:
MAY 31, 2023

FALL 2024 ADMISSION:
MAR 14, 2024

GRADUATE ADMISSION REQUIREMENTS

- **Official transcripts** from all institutions attended, providing a complete record of study

- **Two recommendation letters**

- **English language requirement** (upon admission and prior to matriculation)

- **Statement of purpose**

ENGLISH LANGUAGE REQUIREMENT *

Master's applicants can demonstrate English language proficiency by submitting satisfactory and valid scores from one of several tests.

	Test	Minimum Score	Validity
Criteria: All graduate applicants are requested to demonstrate English language proficiency as soon as possible after receiving their admissions decision from AUB Mediterraneo.	TOEFL iBT	97	2 years
	IELTS (Academic)	7	2 years
	GRE (Verbal)	147	5 years
	GMAT (Verbal)	25	5 years

Exemptions: Graduate applicants who have graduated from AUB or from a recognized college or university in US/UK/Canada/Australia/New Zealand are exempted from the English Language Requirement

* GRE and GMAT exams are not part of the admission requirements; however, may be used to meet the English language requirement.

GRADUATE FINANCIAL ASSISTANCE

Graduate Fellowship and Assistantship Program (GFAP) | UP TO 100% OF TUITION

1. Partial (up to 50%) or full tuition coverage
2. Requires thesis option in the master's programs
3. Applications by new students to be submitted in parallel with the admission application

Financial Aid, need-based grant | UP TO 50% OF TUITION

1. A grant based on financial need
2. Financial aid application to be submitted in parallel with the admission application
3. If awarded, remains valid for the normal period of study as long as student remains in good academic standing
4. Financial need is not a factor in the admission decision

Alumni Scholarship | 10% OF TUITION

A scholarship percentage awarded to AUB graduates residing in Cyprus or Greece to pursue graduate studies at AUB Mediterraneo. This scholarship is offered only during the first two years of launching AUB Mediterraneo (academic years 2023-24 and 2024-25)

GRADUATE DEGREE PROGRAMS

MASTER OF SCIENCE IN ENGINEERING MANAGEMENT

The Master of Engineering Management (MEM) program provides students from all engineering backgrounds with the necessary leadership abilities, technical expertise, and communication skills for both tech-savvy and business-savvy professionals.

The curriculum combines business basics, quantitative methods, and behavioral science in a practical, problem-solving framework

For more details, check the [program page](#)

MASTER OF SCIENCE IN BUSINESS ANALYTICS

The Master of Science in Business Analytics (MSBA) program prepares students with knowledge, tools, and skills to analyze big data, to make effective business decisions, improve performance, create shared value, and enable the digital transformation from basic to smart organizations. Students will learn the various data analytics processes from managing, modelling, analyzing, visualizing, and recommending solutions to challenges in various domains.
